**All Clubs-** please pass this information on to your parents & coaches -it is very important.

**\*PLEASE BE ON TIME-BUT NOT EARLY - Due to limited space, we will not be able to allow spectators or gymnasts in until the prior session has been completed. The building will need to be completely emptied between sessions to allow us to prepare for the next session. \***

**ADMISSION for each session:** \$10 Adults, \$5 Children (5-12 yrs.), \$25 Family (2 adults/2 children-NO Substitutions please)

- Concessions available plus 50/50!
- For the safety of all gymnasts, please remember that there is no flash photography allowed.
- Water only will be allowed on the competition floor, please do not send your gymnast with any other food or drink.
- In the event of severe weather, we will contact each gym. Please call your gym for instructions, do not contact Greater Buffalo as we may not have anyone available on phones.

## **COVID-19 Protocols**

- Each gymnast should bring their own:
  - Chalk Bucket/Chalk
  - Mask
  - Hand Sanitizer
  - Water Bottle
- Coaches will sanitize gymnasts' hands between all rotations.
- The gym and equipment will be cleaned/disinfected between each session.
- Per New York State mandate, everyone in the building over 2 years of age will be required to wear a mask upon entry. Masks should be worn at all times, covering one's nose and mouth. Gymnasts will be permitted to take their masks off only when performing.

## **COACHES:**

- **Due to the number of entries we have, we need to stick to the schedule as closely as possible.** Please have your gymnasts prepared. Please bring dry sneakers if the weather is sloppy outside. We need to keep the competitive area dry for the gymnasts' safety.
- Levels 1 & 2 will be judged by one judge panels.
- Levels 1 & 2 are competing in non-sanctioned sessions and are required to have a release form signed by a parent before they enter the competition area. Please arrive with release forms already signed so gymnasts will not be delayed entering the competition area.
- Please do not have your parents/gymnasts arrive prior to the "doors open" scheduled time of their session. We will be unable to accommodate the next session in the building, until the previous session has left and we have the gym ready for the incoming session.
- Entries submitted without t-shirt sizes were ordered at the discretion of our meet personnel.
- Enjoy the competition and thank you in advance for helping to make this a successful and FUN experience for all involved.
